

What is the value of the underlined number ?

67

What is the value of the underlined number ?

27

What is the value of the underlined number ?

87

What is the value of the underlined number ?

33

What is the value of the underlined number ?

27

What is the value of the underlined number ?

27

What is the value of the underlined number ?

40

What is the value of the underlined number ?

53

What is the value of the underlined number ?

627

What is the value of the underlined number ?

827

What is the value of the underlined number ?

302

What is the value of the underlined number ?

218

What is the value of the underlined number ?

111

What is the value of the underlined number ?

111

What is the value of the underlined number ?

821

What is the value of the underlined number ?

800

What is the value of the underlined number ?

579

What is the value of the underlined number ?

125

What is the value of the underlined number ?

336

What is the value of the underlined number ?

117

What is the value of the underlined number ?

330

What is the value of the underlined number ?

100

What is the value of the underlined number ?

999

What is the value of the underlined number ?

999

What number is this in standard form ?

$$100 + 20 + 3$$

What number is this in standard form ?

$$300 + 40 + 8$$

What number is this in standard form ?

$$400 + 40 + 4$$

What number is this in standard form ?

$$600 + 60 + 1$$

What number is this in standard form ?

$$100 + 50 + 0$$

What number is this in standard form ?

$$900 + 10 + 1$$

What number is this in standard form ?

$$800 + 10 + 9$$

What number is this in standard form ?

$$300 + 80 + 8$$
